

JOIN US ONLINE – Women’s Center CareSpace Patient Portal

It is the priority of Dr. Clark and her staff to make sure that courteous and timely communication is at the forefront of everyday interaction.

As part of Ironwood’s effort to better your patient experience, we are inviting each patient via email to their own personal patient portal. In this portal you have the opportunity to ask questions directly to the staff in regards to your treatment and care.

We want to make sure that you have the easiest and most convenient modes of communication with the clinic. The Care Space Portal is a tool that helps you get your questions answered quickly and expeditiously. For questions about the portal, please see one of the Women’s Center staff or give the Scottsdale Women’s Center office a call at:

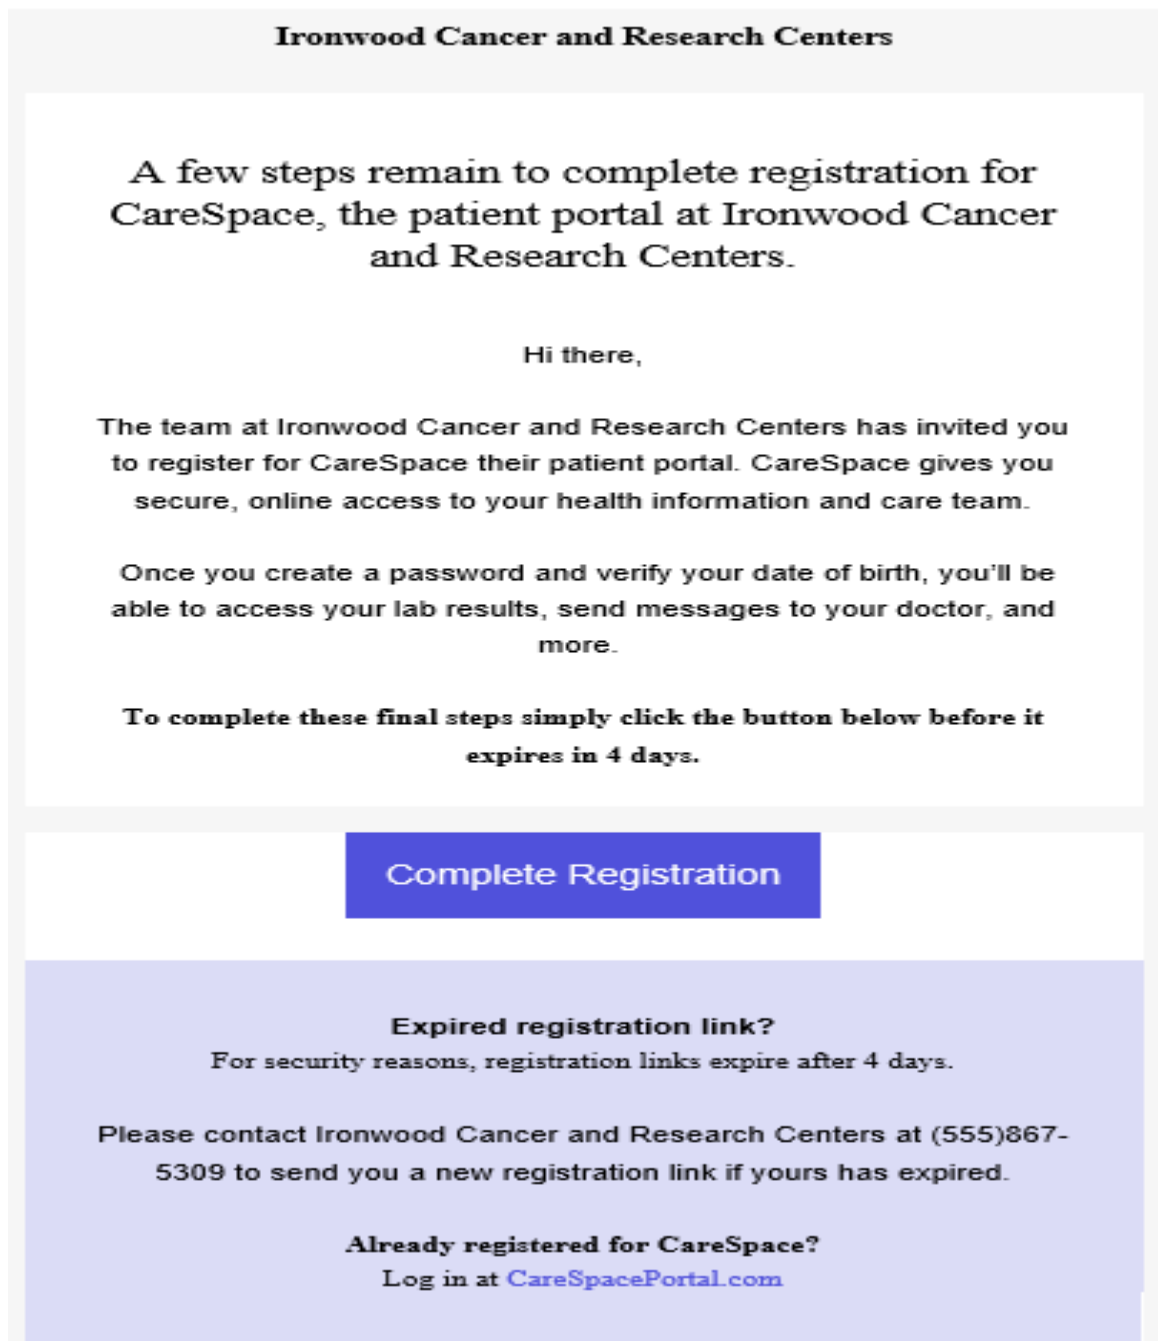

480-324-5252
