

**Naveet (Shelly) Gandhok, MD**  
**Ironwood Cancer and Research Centers**  
Division of Oncology and Hematology  
General Oncology

**Education:**

**Hematology Oncology Fellowship** (07/2002-6/2005)  
Louisiana State University Health Science Center New Orleans

**Internal Medicine Residency** (07/1994-6/1997)  
University of Illinois Medical Center Chicago

**Medical School** (08/1987-02/1993)  
Government Medical College, Patiala, India

**Activities and Honors:**

***Certifications:***

Board Certified Medical Oncology & Hematology  
American Board of Internal Medicine

**Publications:**

**Journals Articles**

Bone-Targeting Therapy for Prostate Cancer, Gandhok N and Sartor O.  
Current Clinical Urology: Management of Prostate Cancer; Second Edition, 2004:589606

Unexpected Response of Hormone Refractory Prostate Cancer to treatment with an Anti-Leukemic Chemotherapy Regimen, Gandhok N and Sartor O. Urology 2004 Oct: 64 (4)L 807-9

Relationships between reverse transcriptase-polymerase chain reaction for prostate specific antigen, survival and various prognostic laboratory factors in patients with hormone refractory prostate cancer, Gandhok N, Looney S et al. Urologic Oncology: Seminars and Original investigations

Reduced Forward Output States Affect the Left Ventricular Opacification of Intravenously Administered Albuterol, Gandhok N et al.  
Journal of American Society of Echocardiography 1997; 10:25-30

Circulating mRNA for Prostate Specific Antigen Correlates with Survival in Hormone Refractory Prostate Cancer. Gandhok MD and O Sartor  
Abstract and Oral Presentation Southern Regional Meeting of the American Federation for Medical Research, February 2004

Assessment of left ventricular filling patterns enhanced with Albuterol during dobutamine stress echocardiography. Hickley, Gandhok et. al  
Abstract published Journal of American Society of Echocardiography and presented at their annual meeting 1995.

Enhancement of Albuterol in the IV Cavity by altering the frequency and log compression of ultrasound systems in Humans. Brodsky, Block, Hickley, Gandhok et.al.  
Abstract Published Journal of American Society of Echocardiography and presented at their annual meeting in 1995.

Low Output States affect the Left Ventricular Opacification of Intravenously Administered Albuterol. Gandhok et al.  
Abstract Published Journal of American Society of Echocardiography and presented at their annual

meeting in 1995.

Novel Salvage Chemotherapy Regimen proves Effective in Refractory Metastatic Bladder Cancer. Gandhok N, Sartor O

First prize, Research Day, LSUHSC 2003, poster presentation.

Phase II Study of Dutasteride in Prostate Cancer that has progressed after initial Androgen Deprivation
